ORDER
ON KNOWLEDGE ASSESSMENT OF FOREIGN APPLICANTS
OF UNIVERSITY OF TRADITIONAL MEDICINE

I. General provisions

- 1.1. This procedure stipulates the examination of foreign applicants' knowledge through the continuous integrated educational program of University of Traditional Medicine (hereinafter referred to as the UTM).
- 1.2. The order is adopted and changed by the Scientific Council of the UTM.
- 1.3. The organization of the admission of foreign applicants for the continuous-integrated educational program is based on the legislation of the Republic of Armenia, the "Order for the Admission of Foreign Citizens", this order and other internal documents regulating this order.

II. Testing of applicants' knowledge

- 2.1. By the order of the rector, an admission commission is organized in order to conduct the testing of the applicants' knowledge with the participation of representatives of the relevant departments of the university.
- 2.2. Assessment of the applicants' knowledge and admission to the UTM is carried out by the RA Ministry of Education and Science after examining the documents, checking the authenticity of the information contained in the documents, after verifying the existence of consular ratification based on the referral letters of the RA Minister of Education and Science.
- 2.3. Applicants' knowledge is tested within the framework of the RA secondary education program on the basis of interviews, tests, as well as oral exams. The examination subjects are "English", "Biology", "Chemistry".
- 2.4. Based on the results of the applicants' knowledge tests, the applicants can be admitted to the first year of the UTM.

2.5. Foreigners who do not know the subjects for the entrance exam can be trained in the UTM's preparatory courses.

2.6. Scale of rating points of the applicant's knowledge assessment.

Mark	10 point scale	100 point scale	Current point scale in the UTM	Assessment mark in letter
"excellent"	10	96	96-100	A+
	9	90	90-95	A
"good"	8	80	80-89	B+
	7	70	70-79	B
"satisfactory"	6	60	60-69	C+
	5	51	51-59	C
"unsatisfactory"	1-4	50 and low	50 and low	D
